Thank you for your interest in exhibiting at our fall event!

The Ontario Association of General Surgeons (OAGS) would like to take this opportunity to invite you to exhibit at our OAGS 28th Annual Meeting this fall, which is scheduled for November 11-13, 2022 at the Toronto Hilton Hotel, 145 Richmond St. W., Toronto.

The OAGS is a non-profit organization representing the majority of General Surgeons in Ontario (academic, community and remote centres). During Covid, we had a high attendance both years virtually, but our last on-site meeting in 2019 had an **attendance of almost 240** General Surgeons (**from Windsor to Ottawa to Sioux Lookout**). Coming together again this fall, we anticipate similar attendance or better. The majority of attendees consists of **actively practising general surgeons**, but we are also happy to have semi-active, new grads, fellows, residents and perhaps some PAs. The success of our meetings in the past was greatly due in part to our sponsors. As such, we hope that you will consider joining our roster of exhibitors this year to support this popular event, which is known for its practical continued medical education for General Surgeons throughout the province.

Our soon-to-be CPD-accredited meeting program is still in progress, but topics usually cover a wide range. Ongoing updates can be accessed via our website on an on-going basis: www.oags.org/agm.html. There will be ample break intervals and opportunities for exhibitors to meet with our members. Our floorplan will also allow for good traffic flow, as the exhibiting hall and refreshment/meal functions will be located together just outside the main meeting room along with an incentivised exhibitor passport prize draw to boost visitation.

Prospectus packages will available soon and will be circulated via our sponsorship email list, so be sure you're on our list. If you have any further questions in the meantime, feel free to contact **Lori Quilty** at our main office (info@oags.org or toll free **1-877-717-7765**) and she will be more than happy to assist. Contracts will be reviewed on a first come basis pending space availability.

Thank you for considering our event and we look forward to hearing from you in the near future.

Sincerely,

Dr. Kevin Lefebvre, OAGS President

Dr. Jennifer Macmillan, OAGS Annual Meeting Committee Chair

Dr. Husein Moloo, Sponsorship Committee Chair
